

Presently, the Academy is partnering with the University of Auckland to offer a course on Master of Professional Studies in Education. Should you be interested in pursuing the Master programme with us, please contact us at [admin@aps.sg](mailto:admin@aps.sg).

Please [click here to download](#) the brochure on the Master of Professional Studies in Education.

A unique feature of the Master of Professional Studies is the EducationbyDesign that offers the School or Cluster the opportunity to customise by choosing from a list of disciplines when organising the programme at School or Cluster level.
